TOGETHER, WE MAKE AN IMPACT

In our sisterhood, we lift each other up. Through our Education and Leadership Development program, we equip women and girls around the world to be leaders—in their communities, their agencies, their governments, and their churches.

We are committed to ensure these opportunities reach women of all races and ethnicities, across every language and economic group.

READING PROGRAM

The [Reading Program](#) offers members a way to choose, track, and share recommended books through four reading plans in a wide range of subjects and ages. It is a cherished tradition that brings together members to explore, share, and discuss books.
