Dear \_\_\_\_\_,

Families have been torn apart. Church members have gone missing. Beloved neighbors and friends have been ripped away from their communities. In some cases, human life itself has been cut tragically short. **Immigrant rights are under attack.** You have the power to make a difference.

Stop pouring funds into the ICE and CBP budgets to criminalize and attack immigrant communities without restraint. Pass strong, proactive measures to protect civil and human rights.

Sincerely,

**TO:**
